

Eco Team Meeting 31.3.2021

Present: Gabriel, Lauren, Flo, Jowan, Tilly, Lilly, Mrs Marshall

This meeting was the first chance since lockdown in January that the team has had the opportunity to meet and discuss ideas for the future.

The team had loads of ideas and we agreed that we would meet early in the new term to decide a way forward

1. World Ocean Day 8.6.21
2. Weekly walking challenge with rewards
3. Encourage cycling to school
4. Litter pick
5. Beach Clean
6. Rainforest; sponsor a patch of rainforest
7. Look at the use of plastic and disposable items in the kitchen again
8. Make a book of posters about environmental challenges (like the Fairtrade Cookery Book)

Events this term have been hindered by lock down, but we did celebrate Fairtrade Fortnight with on-line activities and a chocolate brownie bake off

We have been encouraging outdoor learning through weekly forest school sessions
