

Eco Minutes

20.5.19

Present: S,M –A,R- A,B- G,D- F,C- C,W

- **Minutes from last meeting were agreed**

- **Fruity Friday**

Fruity Friday is going well. The children are remembering to bring in fruit. Greg is going to fill in the chart on Friday so we can record how it is going.

- **Waste week**

Waste week went very well. KS2 all did the plastic waste quiz. We checked bins before and after the week and found that we had reduced less rubbish the week after.

- **Ocean day**

12th June, Plastic Ocean Day. We have an important visitor coming into school. We will have a mufti theme, children can bring in £1 and dress in ocean colours or as a sea creature. We are going to ask if any mums will volunteer to do for face paints that morning for a small fee. All the money raised will go to the Plastic Oceans Foundation. Teachers will plan lessons based upon this theme for that day and maybe extra ones during the week. Green flag

No date yet

- **Litter pick**

This week

Greg weighs the rubbish and records it

- **AOB**

None
